FERTILITY OF FAMINE STRUCK LAND
LAXMAN GILUWA

Will the Minister of AGRICULTURE be pleased to state:

the efforts made by the Government to increase the fertility of land which were under famine during the last two years?

Answer

MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV)

In order to increase the fertility of degraded lands including famine struck land, Government is implementing various integrated soil, water and nutrient management programmes. Besides, various agro-forestry models also help to restore soil fertility.
